Flag A

(9) Reference is invited to para 3 (iii) of G.O. d. 5.2.1927 amalgamating the post of Director with that of Professor. In view of the Professional work that the Director had to do, it was considered necessary to appoint a Dy. Director to relieve the Director of routine work and the pay of the post was fixed at Rs 500-50-600 p.m. The revival of the post was not on personal grounds, though Mr. Sen who was till then a supernumerary on Rs 600 was absorbed into the regular scale as Dy. Director

(10) Now that the old arrangement of having a full-time Director is revived, the question of filling up the post of Dy. Director is for orders

Qd 5/8/32 Dew. Sec'y

(11) It is seen from the 3rd para of the Submn. made by the Dewan (d 23.6.32) that separate arrangements are being contemplated regarding the professional work that was being done by Mr. Sambasiva Iyengar Architect. To have a Dy. Director therefore in addition and that the Director is a full-time officer may not be necessary and would entail extra cost are only grounds on which the Dir in-ged the abolishment was to that of affording some encouragement to the Subordinate officers who have very little left to look up to

GOVERNMENT OF MYSORE

CB275

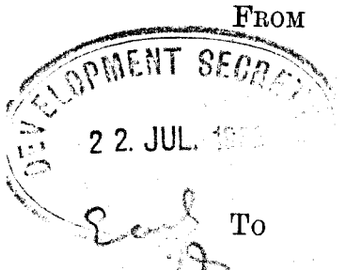
Telegraphic Address:—"GEOL."

MYSORE GEOLOGICAL DEPARTMENT,

No. 6177-B

Bangalore, 22nd July 1932.

CB 157-31-3



FROM

A. M. Sen, Esq., M.Sc., F.G.S., &c.,
~~P. SAMPAT IYENGAR, Esq., MA.,~~
Offg. *Director of Geology in Mysore,*
Bangalore.

To

R 25/7/32 D. Srinivasa Iyengar, Esq., B.A.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Development Department,
Bangalore.

SIR,

I have the honour to submit the following matter for the favourable consideration of Government. In their Order No.4453-5/C.B. 157-35-1, dated 27th June 1932, Government were pleased to appoint me to act as Director of Geology from 1st July 1932, the date from which Mr. P. Sampat Iyengar was permitted to retire from service. I beg to point out that as yet no order has been received about filling up of the post of Deputy Director which has fallen vacant on account of my acting as Director.

Checking of office accounts & mineral statistics, inspection of mining and prospecting work by concession holders and the departmental officers together with scientific work all these necessitate the filling up of the post of Deputy Director who would help the Director in various ways in carrying on the administration work of the department. So, I beg to submit the following recommendations for the favourable consideration of Government :-

Mr. B. Balaji Rao, B.A., is to act as Deputy Director from 1st July 1932, vice Mr. A.M. Sen, appointed to act as Director. During the absence of Mr. Balaji Rao on leave, Mr. B. Rama Rao, M.A., is to act as Deputy Director from the 1st July 1932. This acting vacancy of Assistant Geologist which arises need not be filled up at present.

When Mr. Balaji Rao returns from leave, he

Deputy Director, in addition to his duties as Superintendent. Chrome Mines.

Early orders of Government are solicited about the sanction of these arrangements.

I have the honour to be
Sir,
Your most obedient servant,

A. M. Sen

Offg. Director,
Mysore Geological Department
